## Nylon Cord Cover for looped Carpet – NEW PRODUCT!!

### SAFCORD secures electrical cords to looped carpet.

The 'hook and loop' method replaces tape to fasten cords to low profile carpet. SAFCORD provides the lowest possible profile as it keeps cords in place. Scuffing feet and vacuums will not budge SAFCORD!

- Perfect for tradeshow booths, conference rooms and offices.
- Hugs carpet on Stairs
- 3" and 4" widths
- Easy installation
